ITEMS WE DO NOT ACCEPT

Due to safety concerns/risks, the following items are not accepted at any JBF Sales.

Recalled Items

Important Safety Guidelines apply to car seats, cribs, infant equipment & toys. All of the Recalls & Safety Standards are listed at jbfsale.com for you to check each of your items before you sell.

Incline Sleepers

Due to risk posed to infants, incline sleepers can no longer be accepted at Just Between Friends sales. A notice was provided by the CPSC on November 11, 2018 in which these sleepers were deemed unsafe after repeated incidents of infant suffocation.

Cribs made before June 28, 2011

All Cribs made before June 28, 2011 are no longer considered safe for infants—that includes all dropside cribs as they pose significant risks to infants. They cannot be sold or donated.

For cribs manufactured on or after June 28, 2011, a completed Crib Waiver is Required.

Crib Bumpers

All types of Crib Bumpers are no longer considered safe for cribs. These will not be accepted or sold at Just Between Friends Sales.

Sleep positioners

All products marketed or intended to provide a sleeping accommodation for an infant up to 5 months of age, and not covered by a CPSC sleep standard*, must comply with the Infant Sleep Product (ISP) Rule. This rule applies to products such as in-bed sleepers, baby boxes, baby nests and pods, compact/travel bassinets, and infant tents. The ISP Rule mandates that all applicable products have a stand, meet stability requirements, and have a side height of at least 7.5 inches. Items that do not meet the ISP Rule cannot be sold at JBF sales events.
